

## DIRECTIONS

# Location and access to data center Nürnberg

Access to Gewerbepark Nürnberg-Feucht-Wendelstein via Gleiwitzer Straße or Richard-Hesse-Straße. In the car navigation system enter “Am Tower 5” and drive over the barrier. To open the barrier, you need to ring on the left side located intercom. The outdoor parking spaces are located directly next to our Datacenter. As soon as you will leave the area, just standing in front of the barrier, it opens automatically.
